

THE Crunkleton

Tip the Kitchen 15

Wondering about the cowbell? Our Tip The Kitchen program is a completely optional way for guests to show appreciation directly to the chefs that prepared your food. Just like the tip you give your server, 100% of this money goes directly to the kitchen staff. If you've had an especially delicious meal, let your server know you'd like to tip the kitchen. We'll bring you the bell to ring and give them a round of applause!

The Old Fashioned Cocktail *Origin Unknown* 16

High Proof Bourbon, Sugar, Bitters, Orange Peel Swath
This is the one that started it all way back in the 19th century. Some historians claim the drink originated in Louisville while others stick by the opinion of "I don't know."

Bourbon Bramble *by Gary Crunkleton* 16

High Proof Bourbon, Orange Blossom, Marasca Cherry Paste, Fresh Squeezed Lemon
The bramble is a cocktail from London that uses gin and fresh fruit. We take their idea and Americanize it with bourbon and cherries. It's served in a julep cup which keeps it cold when the weather is not.

The Painkiller Cocktail *by Daphne Henderson* 17

Aged Rum, Coconut Cream, Fresh Squeezed Orange, Pineapple, Lime, Nutmeg
This 1970's Tiki style drink is about as delicious as a Tiki drink can get. We make it without using Pusser's because we think it is lame that a liquor company would own the rights to a way of making a particular drink. So, please allow our boycott to exist without concern and enjoy the drink.

Elderflower Sour *by Gary Crunkleton* 16

Tanqueray London Dry Gin, Ginger, Elderflower, Fresh Squeezed Lime
This floral concoction gets its due from the botanicals of the gin, pepper from the ginger, and tartness from the lime. This drink is one of our most popular and the neighborhood loves it.

Cantarito *Origin Unknown* 16

Tequila Reposado, Fresh Squeezed Grapefruit, Orange, Lime, Agave Soda, Tajin
The Cantarito, a popular Mexican tequila-based cocktail, is believed to have originated in Jalisco, Mexico, during the early 20th century. Its name comes from the Spanish word "cántaro," meaning "pitcher."

Strawberry Brandy Crusta *by Colby Kress* 16

Hennessy, Dry Curacao, Strawberry Oleo, Lemon
An inception of a cocktail, our modern take on a "Brandy Crusta". Invented in the 1850's by Joseph Santini in New Orleans. The balance of fruity and tart flavors, sure to dance all over your tastebuds.

Poets Dream Martini *Origin Unknown* 16

Tanqueray London Dry Gin, Benedictine, Dry Vermouth, Orange Bitters
Inspired by the Wallace Stevens poem "The Poet's Dream", written about a dreaming poet. This cocktail has alluring herbal notes that pair nicely with the gin to make it a great drink for any Classic Martini lover. Truly a timeless Classic.

French Martini *by Keith McNally* 15

Lukusova Vodka, Chambord, Pineapple, Lime
A luxurious and sophisticated option for those who indulge in fruity cocktails. This is a modern classic invented in New York by Keith McNally in the late 1980's.

Rum Flip *by Colby Kress* 18

Bumbu Rum, Vino Aromatizzato, Orgeat, Bitters, Whole Egg, Salt
If you're looking for something sweet and fun, look no further! The rum and dessert wine come together harmoniously in this decadent cocktail, making it nearly impossible to put down.

A Dusty Cactus *by Nathaniel Wescott* 17

Tequila Reposado, Fresh Squeezed Lime, Habanero Shrub, Champagne, Mole Bitters
The Dusty is a relatively new drink that turns twelve years old this year. It's popularity transcends its relatively young age and is sure to be on its way to becoming a classic. Cheers to its longevity at The Crunkleton.

The Gin Gin Mule *by Audrey Saunders* 15

Tanqueray London Dry Gin, Ginger, Mint, Angostura, Fresh Squeezed Lime
This tiple is two drinks in one. It takes the ingredients in the Mojito and melds it with the ingredients of a Moscow Mule. The twist is we use gin to bring them together. We love this 2005 drink at The Crunkleton and we applaud Audrey Saunders for creating it.

The Paper Plane *by Sam Ross* 18

High Proof Bourbon, Aperol, Amaro Montenegro, Fresh Lemon Juice
A riff on the classic Last Word created in 2007 by Sam Ross at the Violet Hour in Chicago. He first made this drink with Amaro and Campari but swapped out the Campari for the less bitter Aperol soon after creating the drink. Sam says "This cocktail is named after the M.I.A. track that was blasting on repeat the summer we worked on the drink."

Bee's Knees *by Ms Margaret Brown* 16

Tanqueray London Dry Gin, Local Wildflower Honey, Fresh Lemon
A simple drink created by a complex woman in the early 20th Century. Ms Margaret Brown was married to a millionaire miner from Denver but made the drink popular while partying in the womens-only bars of Paris. She was also known as the "Unsinkable Molly Brown" after dramatically surviving the sinking of the Titanic.

When The Leafs Fall *by Colby Kress* 16

Old Overholt BIB Rye, End Of Days Barrel Aged Rum, Molasses, Bitters
Booze forward with notes of baking spices and molasses, warming your body with each sip. Our Fall Old Fashioned is a nostalgic take on a classic Old Fashioned, making you feel like you're at home in front of a crackling fire while your mom makes Christmas cookies.

The Rambler *by Gary Crunkleton* 16

High Proof Bourbon, Dry Curacao, Bralio, Bitters
Gary and I took a good bit of time "rambling" trying to find a well balanced booze forward cocktail. I was once told "if you add more than 5 ingredients into a drink, you're probably trying to over complicate it." Simple is usually the best, and that's exactly what we did.

Hot Irish Coffee *by Stanton Delaplane* 15

Bushmills, Sugar, Bar Cream, Nutmeg
Inspired by The Dead Rabbit bar in NYC, our Irish coffee is the perfect drink to put a little pep in your step or wash down that last beignet. Warm, creamy and just down right delectable.

BARREL AGED COCKTAILS 20

Cocktails that already possess a certain depth of flavor are carefully selected to be further enhanced by the charred oak barrel. Aging the drink in the barrel allows the various ingredients to meld together and round out the flavor towards a new expression all together. We learned this amazing approach from its innovator, Jeffrey Morgenthaler.

Barrel Rested Old Fashioned

Old Grand Dad BIB, Rittenhouse Rye, Demerara Sugar, Peychaud's

Barrel Rested Vieux Carre

Rittenhouse Rye, Hennessy, Punt E Mes, Benedictine, Peychaud's

Barrel Rested Negroni

Tanqueray, Campari, Punt E Mes, Orange Bitters

NON-ALCOHOLIC COCKTAILS 13

Here at The Crunkleton, we care deeply about inclusivity and using only the highest quality ingredients when making drinks for our guests. It is to that end that we are proud to present this thoughtfully crafted list of Non-Alcoholic Cocktails. These drinks feature the same Fresh Juices, Syrups and Hand-Carved Ice you've grown to love but made with Non-Alcoholic Spirits. The use of Non-Alcoholic Spirits creates the same level of flavor and complexity one would expect from our cocktails, simply without the booze.
